About Genesis Rehab Services
A powerhouse in the rehab community, Genesis Rehab Services provides rehabilitation therapy and wellness services across the nation.

Genesis Rehab Services (GRS) is the leading provider of physical therapy, occupational therapy, speech therapy, respiratory therapy, and wellness services for the older adult population. As one of the largest and strongest rehab organizations in the country, GRS partners with skilled nursing centers, assisted living facilities, independent living facilities, hospitals, home health companies, adult day care programs, and outpatient clinics to provide comprehensive therapy services, primarily to older adults.

We employ over 18,000 therapists and assistants in over 1,500 rehab gyms.
We operate in 44 states and the District of Columbia, and we touch 45,000 patients each day.

Our Mission
We improve the lives we touch through the delivery of high quality health care and everyday compassion.
